| VERBALS: PARTICIPLES - NOTES                      |  |  |   |  |  |  |  |  |
|---|--|--|---|--|--|--|--|--|
| Grammar Review #5                                 |  |  |   |  |  |  |  |  |
| PARTICIPLE → a form of a verb that functions as a |  |  |   |  |  |  |  |  |
| SAME ROLE AS AN!!                                 |  |  |   |  |  |  |  |  |
| - Answers → Which one?                            |  |  |   |  |  |  |  |  |
| - Answers → What kind?                            |  |  |   |  |  |  |  |  |
| TYPES OF PARTICIPLES                              |  |  |   |  |  |  |  |  |
| PRESENT PARTICIPLE → ends in "ing"                |  |  |   |  |  |  |  |  |
|   | Example: Squirming tapeworms are not digested in intestines. |  |   |  |  |  |  |  |
| PAST PARTICIPLE → usually ends in "ed"            |  |  |   |  |  |  |  |  |
|   | Example:   | My misguided accountant advised me to invest in socks. |   |  |  |  |  |  |
|   | BUT do not always end in "ed"!                               |  |   |  |  |  |  |  |
|   | Example:   | The badly shaken spiders scurried from the worn shoe.  |   |  |  |  |  |  |
| *****BEWARE!!!!!!                                 |  |  |   |  |  |  |  |  |
| 0   | Do not confuse a   |  | with an actual  |  |  |  |  |  |
|   | PARTICIPLE   | $\rightarrow$  | In the snorting contest, Howie won first place, a brown nose. |  |  |  |  |  |
|   | VERB   | $\rightarrow$  | Howie is snorting like a pig.                                 |  |  |  |  |  |
|   | PRACTICE #1  | -  | We had recycled our discarded newspapers.                     |  |  |  |  |  |

We were cold in the blistering wind.

The freezing lady put on her sweater.

PRACTICE #3

| <b>PARTICIPIAL PHRASE</b> → a |                            | <b>RASE</b> → a   | and the  | and                          |  |  |  |  |
|-------------------------------|----------------------------|---|--|------------------------------|--|--|--|--|
|                               | that go along with it      |   |  |                              |  |  |  |  |
| SAME ROLE AS AN               |                            |   | !!   |                              |  |  |  |  |
| ,                             | - Ans                      | wers <del>&gt;</del> Which on   | e?   |                              |  |  |  |  |
|                               | - Ans                      | wers → What kind  | d?   |                              |  |  |  |  |
| Example #1: Wearing a shee    |                            | Wearing a sheet w   | vith eyeholes, little Manfred went tric                  | k or treating as a mattress. |  |  |  |  |
| Example #2:                   |                            | Hungry, desperate vegetarians marching in front of the capitol declared that cows     |  |                              |  |  |  |  |
|                               | ć                          | are plants.   |  |                              |  |  |  |  |
| Exar                          | Example #3: Wearing a long |   | veil and a bikini, the bride shocked the wedding guests. |                              |  |  |  |  |
| ****BE                        | WARE!!                     | !!!!!   |  |                              |  |  |  |  |
| A participial phrase ca       |                            | ipial phrase can c  | come at the beginning, middle, or end,                   | , BUT it needs to be         |  |  |  |  |
|                               | to the word or words it    |   |  |                              |  |  |  |  |
| WRONG:                        | Dressin                    | Dressing in high heels and a tight black dress, Bubba escorted Edna into the theater. |  |                              |  |  |  |  |
| RIGHT:                        | Bubba e                    | Bubba escorted Edna, dressed in high heels and a tight black dress, into the theater. |  |                              |  |  |  |  |
| WRONG:                        | Covered                    | Covered with fleas, my neighbor owns that stray cat.                                  |  |                              |  |  |  |  |
| RIGHT:                        | My neig                    | My neighbor owns that stray cat covered with fleas.                                   |  |                              |  |  |  |  |
| WRONG:                        | Swimm                      | Swimming in the aquarium, Peabody observed the octopus.                               |  |                              |  |  |  |  |
| RIGHT:                        | Peabod                     | Peabody observed the octopus swimming in the aquarium.                                |  |                              |  |  |  |  |
| PUNCTIO                       | N POINT                    | 'ER   |  |                              |  |  |  |  |
| ⊠ If a p                      | participial                | phrase is   | , meaning it is necessary                                | in order to                  |  |  |  |  |
|                               |                            | the noun o  | r pronoun it modified, do NOT use co                     | mmas.                        |  |  |  |  |
|                               | <b>*</b> ]                 | ESSENTIAL: The  | man clipping his toenails in the theat                   | ter disturbed the audience   |  |  |  |  |
|                               |                            |   | , meaning it is not neces                                | sary in order to             |  |  |  |  |
|                               |                            | the noun or p   | pronoun it modifies, use commas.                         |                              |  |  |  |  |
|                               |                            | NONESSENTIAL: I carpet and ceiling  | zzy's igloo, located in Antarctica, com<br>fans.         | nes complete with shag       |  |  |  |  |
